Scholarship Opportunities

Inhouse scholarships **up to \$2,500** towards the annual cost are available to offset the total tuition. Based on a list of criteria, you will be notified the award amount at the time of your application approval. Students must maintain a 3.5 GPA and no more than 3 behavior demerits to continue to receive scholarship funding. Scholarship funds may be reinstated at the next payment period if student returns to compliance.

Payment

Payment is always due the first of every month within the 10-month payment period in advance with no deduction for any absences, holidays, or closures due to inclement weather, power outages, or other situations beyond our control. Parents can opt for a Bi-Annual payment plan that gives a **\$160 discount** from the total, or an Annual plan that gives a **\$310 discount** from the total.

Methods of Payment

Himama/Lilio is the platform used to collect tuition and other fees as well as to contact families regarding payment issues. All payment and fee processing will be completed through HiMama/Lilio. The financially responsible party(ies) must sign up for automatic payments.
